Healthy Connections Prime

Molina Dual Options Medicare-Medicaid Plan is a health plan that contracts with both Medicare and South Carolina Healthy Connections Medicaid to provide benefits of both programs to enrollees. This plan is a part of the Healthy Connections Prime program in South Carolina.

There are two different ways to join a health plan. You have the right to choose your health plan from the health plan choices serving your area. This is called active enrollment. If you do not choose, the state will pick a health plan for you. This is called passive enrollment.

You choose your plan- active enrollment

Contact Healthy Connections Choices before the due date at **(877) 552-4642 (TTY: (877) 552-4670)**, Monday through Friday, 8 am to 6 pm. Tell them you want to join Molina Healthcare. You can change your plan any time by calling Healthy Connections Choices.

They choose your plan for you - passive enrollment

If you do not select a health plan by the due date and are still eligible for the Healthy Connections Prime program, Healthy Connections Choices will choose a health plan for you.

Medicare

If you are turning 65 or have certain disabilities, you may qualify for Medicare even if you are still eligible for Medicaid. We offer Medicare Advantage plans which include all Original Medicare benefits and much more. If you currently are eligible or may become eligible for Medicare, call **(866) 403-8293, TTY/TDD: 711**.
